SUMMARY

Full Stack Web Developer with a unique background in the healthcare field. Completing a certificate in Full Stack Web Development from the University of California Berkeley Coding Boot Camp. Critical thinker with a passion for solving complex problems. Strengths include teamwork, multitasking, and a strong desire to learn new skills as well as improve existing skills. Pursuing a career path that allows me to utilize my current skills and apply them in new creative ways.

TECHNICAL SKILLS

Enrolled in Full Stack Coding Bootcamp through UC Berkeley with an upcoming completion date in Jan 2024. Obtained skills in wireframing, UI, APIs, DOM, testing/debugging, responsive design. Demonstrated experience working with languages including JavaScript, CSS, HTML, SQL, MongoDB, Express, React, Node, jQuery, Bootstrap, Bulma, and more.

PROJECTS

EXPERIENCE

RN Case Manager | Dec 2022-Present | Bristol Hospice Hawaii | Honolulu, HI

Coordinating care for patients receiving hospice services at home. Growth in ability to handle high stress situations and connecting with individuals and families to provide holistic health care. Serving as the primary contact to quickly respond to any patient changes and follow ups to ensure high quality care at all times.

Registered Nurse | Jan 2021-Dec 2022 | Attention Plus Care | Honolulu, HI

Worked in home settings to provide daily assistance to children and adults with skilled nursing needs. Developed positive therapeutic relationships with patients, families and providers, and implemented personalized interventions to keep patients safe at home.

Case Manager/Admissions Nurse RN | Nov 2019-Dec 2020 | Oahu Home Healthcare | Honolulu, HI

Completed home visits throughout Oahu to provide short-term intermittent skilled nursing for adults. Worked to improve hands-on nursing skills with attention to detail. Gained better understanding of continuity of care within the healthcare system.

Registered Nurse | Jul 2017-Jul 2019 | Manoa Senior Care | Honolulu, HI

Worked in a care home setting to provide and coordinate care for seniors. Advancement of skills such as time management and multitasking, leadership and guidance to members of the healthcare team, chart management and auditing to ensure compliance with Department of Health regulations.

Nurse Supervisor of Supported Living | Nov 2016-Jun 2017 | Mary T Inc. | Coon Rapids, MN

Supervised healthcare needs overseeing 12 group homes for adults with disabilities. Practice with skills such as guidance and delegation to the healthcare team, chart auditing to ensure compliance with Department of Health regulations, policy/procedure and training development.
